School Begins With exciting events . . .

This year's Miss Zuni candidates were . . . Sitting on Top: Nancy Simplicio, and Noreen Chimoni. Bottom: Veronica Gasper and Jovanna Vacit. The lucky girl for Miss Zuni was Noreen Chimoni.

Say, doesn't that Kiowa look like Durcilla Lesansee of Zuni?

Not only was the youth involved, but also the adults were included in the Fair.

I wonder if the bald eagles, whose feathers they're wearing are watching the parade.

The Golden Knights provided the beginning of the school year with a sensational performance.

At least they got down safely!!!

The Golden Knights gave Zuni High School an autographed picture of their performance.

Gee, I know you like me but this is ridiculous

Are you guys playing football? or dogpile?????

Look mom, I'm flying;

Hey Marvin, Is number "58" scaring you off;;;?

I know I've got muscles, you don't have to feel them!!!!

Hang on! I'm coming to help.

We won!

I'm glad we won, but I wish I hadn't gotten my teeth knocked loose!

Help me hold him coach, He's going after the referee.

I'll tickle him and maybe he will drop the ball.

Is this wrestling or football?

Get up and exercise, you are not that tired!

I wish I hadn't gotten hurt so I could have shared in this victory.

Hey Fellows, let's split with the ball!

That's what you call putting your stomach into it . . .

Now wait a minute, can't we just talk this over . . .

Say, two against one isn't fair . . .

Eleven heads are better than one, Right gang!!!

Cool it with the legs . . .

Five more yards!

Get your foot off my neck

1973-74 State Class AAA Cross Country Champions

People were looking for something to hide in or crawl under in Zuni Saturday night. If they had a cellar they were in it and if they didn't and there was a rock handy, they were under it. Something big must have happened summarized Zuni's residents when all of a sudden they heard sirens, car horns and distant chants in the offing. Had a bomb been dropped or had there been perhaps a catastrophic accident?

When they emerged from the safety of their shelters they soon learned that a bomb a Zuni bomb, had indeed been dropped. But the explosion had taken place in Roswell and it was by no means an accident.

The bomb had been dropped by Zuni High's own Thunderbird Harriers with the results devastating as Zuni blew all of their competition off the course to capture A "1973 New Mexico Class-AAA Cross Country Championship". Zuni was now

feeling the repercussions of that explosion in a rousing Zuni salute to its state champion Thunderbirds.

There was no question about who was this year's best in the rugged Class-AAA. Zuni stormed to the 1973 title in championship from outdistancing runnerup Bernallio by no less than 34 points.

The Thunderbirds amassed a total of 43 points in winning the state crown. Runnerup Bernallio registered 77 while Shiprock placed third with 107 and Fort Wingate was fourth with 114 points.

In rounding out the rest of the Class-AAA field Robertson was fifth with 115, West Las Vegas sixth with 127, Espanola seventh with 153, Silver City eighth with 160, Gadsden ninth with 178, Portales tenth with 286 and NMMI eleventh.

"Our kids just did an outstanding job for Zuni High," stated head harrier coach Max Ray. "They got off to a late start at the beginning of the season but as the season progressed they began to materialize into the type runners it takes to be champions."

Crossing the line first for the Thunderbirds was Arlen Quetankai, Quetawkai was the fifth harrier to finish his three mile run in Roswell traveling the distance in 15:48. Right behind Quetawkai placing sixth in the state meet was Virgil Bobelu.

Finishing out the Thunderbird effort was Victor Noche eleventh, Carlton Quetawkai - twelfth, Lujan Ondelacy - seventeenth, and Wilber Haskie

nineteenth. The top five finishing times are totaled up for a teams final tally.

"I believe the biggest factor that led to our winning this year's state championship was our attitude," said Ray. "Three weeks ago I first felt that our chances for winning were good because of the change in our outlook. Kids began cutting time off their clockings in tens of seconds and one of our kids took two minutes off. It was then that we started picking up the momentum which carried us to a District and state championship." Zuni placed first in only two meets, both which had the biggest stakes at large.

Things look to be bright for the Thunderbirds in the way of future cross country success. The Birds will lose only Arlen Quetawkai through graduation with none of the other placers being more than sophomores. Sophomores on the 1973 championship squad were Virgil Bobelu and Lujan Ondelacy with Victor Noche, Carlton Quetawkai and Wilber Haskie being freshman.

"We had a lot of fine prospective runners on our club this season", remarked Ray. "We had several runners, such as Mike Sosseah, Steven Boone and Tim Niiha, just to name a few, that missed out on running in the state tournament by only a few seconds."

Concluded Ray on Zuni's victory, "Our kids ran well in Roswell. Zuni should be proud of them" Added Ray. "I think the results of this year's tournament clearly points out that the Northwestern corner of New Mexico possesses the state's toughest distance runners and teams."

In a class to class basis the Northwest section of the Roadrunner State dominated this season's finals. In Class-AAAA Grants won this year's title followed by runnerup Santa Fe and in Class-AA Laguna-Acoma reigned supreme. Placing fourth in the ranks of the AA runners was Rehoboth with Thoreau sixth.

Zuni Drama Club To Perform for First Time

Performances of Zuni High School Drama Club are tonight, Monday, in the Zuni Elementary School gymnasium 7:30 p.m.

The two one-act plays will make the first time the new Drama club has ever performed.

The first play, "I'm a Fool," is the story of a horse swab who wins the affection of a lovely girl at the race track by pretending to be a wealthy horse owner. The play stars Delbert Quam and Miranda Homer supported by Frances Laate, Pam Lasiloo, David Rich, Reece Tsethlikai, Myron Noche, and Laura Bobelu with student direction by Orina Bobelu.

"The Ghost of a Show," the second one-act play, is a comedy about a senior class trying to produce "Romeo and Juliet." The class is surprised by the visit of the ghost of William Shakespeare played by Mark Gibbons. He is supported by Cheryl Lasiloo, Clybert Zunie, Suzette Chavez, Reynado Peywa, Zane Romancito, Elvin Lewis, Idell Malie, Carol Bobelu, and Rowena Him. Mike Rich provides the student direction.

Between plays will be a special feature. A scene from "I'm a Fool" will be done in Zuni with the assistance of Charlotte Tsalate. Stage management for the productions is done by Vicent Hooee and Victor Noche.

The Drama Club has been in existence for three months now and has entertained with a fable in pantomime at the District Student Council Convention in Zuni. They also made a trip to Window Rock to see the Dineh Little Theatre Group perform.

PERFORMING in one of two plays being presented by the Zuni High School Drama Club at the Zuni Elementary School gymnasium tonight are Clybert Zunie, Cheryl

Lasiloo and Mark Gibbons, who will produce, "The Ghost of a Show." The other play is entitled, "I'm a Fool."

Zuni Senior Class Gives Three One-Act Plays

This Thursday and Friday, April 18 and 19, at 7:30 p.m., the Senior Class of Zuni High School is putting on three one-act plays to raise funds for their class trip later in the spring.

The first play "Split Cherry Tree" by Jesse Stuart, stars Mark Gibbons, Carlos Lamy, Delbert Quam, and Karen Psikewa in this story of a backwoods farmer who gets into a tangle with his son's biology teacher. This play was performed by the group at the Eastern New Mexico University (ENMU) Drama Festival March 1, and won for Mark Gibbons a superior acting award.

The second opus, "Night Fright" by William Kuehl, features Arlo Yuni, Kathy Eustace, Irene Lewis and Royce

Wyaco in the leads. The plot involves a newly-wed couple stranded in a deserted farmhouse haunted by vampires and convicts.

Loretta Owaleon, Filmer Lalio and Noree Ondelacy take top roles in the third one act, "What is the Matter with TV", by Anna C. Martins. The grandmother of a family that becomes overtaken by television goes on strike because of the infernal machine.

According to teacher-sponsor Linda Golden, about 30 students in the Zuni High School senior class are involved in the three plays, besides people in props, costumes and makeup. The plays will be presented in the old high school gym.

Yet I look for the light through the pourin' rain
You know that's a game I hate to lose

I want to get lost in your rock and roll,
